

SCHEME & EQUIPMENT, INC.

ENGINEERED HANDLING SYSTEMS

Scheme & Equipment, Inc. was incorporated in 1966 as subsidiary of an engineering company. SEI became a privately held, independent corporation in 1988. SEI evolved to be a diversified entity involved in developing & implementing material handling, packaging and process equipment projects, & specialty construction for industrial, commercial and institutional customers. We pride ourselves in providing a wide variety of high-quality products for all of your needs:

CONVEYORS

Conveyors of virtually every type to handle bulk products like grain, powders, soil, etc. as well as small or large containers, cases, pails, drums, appliances, pallets, hanging parts, foodstuffs, assembly parts, electronics, bottles, trash, bags, totes, automotive, and a host of others.

CRANES

From large Bridge Cranes to small operator Workstation Cranes, from Jib Cranes to Gantry Cranes, and from Special Articulated Cranes to monorails, we carry a full line of Cranes and accessories for all your overhead lifting needs.

HOISTS & TROLLEYS

Wide variety of chain or wire rope hoists, powered by electric, air or hand. Even Servo-Powered Intelligent Assist Devices. Trolleys, Tractor Drives, Fall Protection, and Festoons.

PROCESS & PACKAGING EQUIPMENT

We supply Scales, Counting Systems, Wrappers & Strappers, Case Erecting/Sealing/Packing, Palletizers, Bottle Filling, Cappers, Bagging, Inspection Devices, Labelers, Washers/Rinsers, Blenders, Mixers, Ovens, Dryers, RFID Devices, Metal Detectors, Balers, & much, much more!
